Sir,

Adverting to G.O.No.3124-8/L.B. 113-11-4, dated 2nd Novr. 1911, sanctioning the proposal of the Hassan District Board to organise a cattle show, at Ramanathapur and to levy fees on cattle admitted to the show grounds and shops, theatres, hotels, sea-saws etc., at rates then prescribed, on the occasion of the car festival of Sri Subrahmanyaswami to be held, at Ramanathapur every year, on Margashira Shudda Shasti, and intimating that the realisations therefrom should be credited to District Funds etc., I have the honor to state that as follows:-

This show which was in its infancy then, has gradually developed and about 10 to 15 thousand cattle now congregate on the occasion. Besides, there will be a large concourse of people at the time and the responsibility of the District Board has also increased, in the matter of better sanitation, scavenging, lighting and good water supply, and the award of prizes for the best cattle brought to the show grounds. In spite of the small annual income of Rs 550/ and Rs 755/ from the fees on cattle and the shop tax respectively, the Board will have to make all necessary arrangements at a very heavy cost. A number of storm king lanterns (petrol lamps) are lit during nights every day, for

6

about a week and it has been found to be insufficient. The show ground has been proposed to be improved at a heavy cost and the Standing Committee of the District Board have even decided, at their meeting held on 26th August 1929 to sink two tube wells at the cost of the District Board. This has also been approved by the District Board, at their meeting held on 14th Septr. 1929.

Government, having in their order No.L.5568-86/L.B. 64-24-59 dated 14th March 1928, directed that all shows in the District should be organised by an Economic Committee appointed by the District Board, who shall be considered responsible for all arrangements connected with the show, the District Board, at their meeting held on 18th Septr.1928 appointed such a committee. This committee met on the 4th Septr. 1929, and after a careful consideration of all the above facts resolved that the rate of one anna per head of cattle admitted to the cattle show enclosure might be doubled, exception being however made in respect of tender calf of each milking cow or buffalo; and that fees might be levied in the shape of ground rent as per enclosed list, instead of on shops themselves as originally sanctioned, the reason for this being that the Contractors would sometimes levy exhorbitant rates on shops owing to want of discrimination in the nature of articles brought and kept for sale in such shops. In some cases, the old rates worked as a great hardship on poorer petty shop keepers but allowed too much latitude to big shop keepers. People who made small profits had to pay heavier tax while those who could make more profits paid less. These inequalities are now proposed to be minimised and this method of charging ground rent has been in vogue in Hassan and Chunchankatte during the cattle shows, at these places.. The resolutions

7

of the cattle show committee have also been approved by the District Board, at their meeting held on 14th Septr. 1929.

I, therefore, request that you will be so good as to kindly obtain early sanction of the Government to the resolution of the Board re: doubling the rate of one anna per head of cattle admitted to the cattle show enclosure and to the revision of the rates proposed as ground-rent on shops.

Copies of the resolutions of the Cattle show committee and the District Board together with the schedule of ground rent to be levied on the occasion are herein enclosed for reference.

I have the honor to be,
Sir,
Your most obedient servant,

President,
District Board, Hassan.
